A plate from the *IND* series by  
Bo Bedilion

## Statement

Making plates satisfies my desire to create useful objects with my hands. The surfaces of my wares are achieved through a sensitive & thoughtful glazing program. I strive to manifest visual representations of loosely held memories, while retaining the structural integrity of a well-made pot.

## Biography

Associate Professor Bo Bedilion received his MFA in Ceramics from Kansas State University and a BA in Art from California University of Pennsylvania in California, Pennsylvania. He has been a faculty member at Columbia College in Columbia, Missouri, since 2010 and also serves as the Gallery Director for the Greg Hardwick Gallery at the College. Additionally, he is an active potter and exhibits his work both regionally and nationally.
