Marked: Art That Lives on the Skin

TATTOO samples from three regional studios

This exhibition features tattoo designs from **True Love Tattoo** and **Rogue Collective Tattoos & Piercings** in Salina, along with selections from **Tenfold Tattoo** in Wichita.

In the last couple of decades, tattoos have shifted from symbols of rebellion and exclusiveness to an accepted form of individual expression. They have become mainstream, with much greater acceptance by society. They also have a rich and colorful history that dates back to the earliest traces of human civilization - transitioning from tribal symbols to exquisitely rendered imagery that showcases some of the most elaborate art being made today. This show provides viewers a small sampling of tattooing's possibilities.

Representing True Love Tattoo in Salina are Chase Wheeler, Kitana DuMars, Colin Benson, and Madilynn Klassen. Rogue Collective Tattoos and Piercings, also in Salina, features tattoo artist Valen Laska. Tenfold Tattoo in Wichita is represented by Shaila Roach, Megan Shelton, Tyler Warren, Sarah Shurtz, and Christopher Edwards.

The Sandzén Gallery appreciates their participation in this exhibition and wishes them continued success in this ever-evolving field.
